Class Enrollment, Placement & Levels

Enrollment is accepted on a first come, first served basis. Placement is based on the dancers grade level for the school year.

Styles Offered:

Ballet: Ballet classes will help dancers with posture, flexibility, fitness, balance, self-discipline, and self-confidence. It provides grace, poise, and the technique needed to be proficient in all other areas of dance. Students will learn classical ballet techniques and terminology.

Jazz: Dancers will be exposed to various styles of jazz such as Broadway, Street, and Contemporary to help develop a well rounded dancer. Class curriculum is based on ballet technique layered with traditional jazz movement and includes a proper warm-up, stretches, isolations, across-the-floor progressions, and combinations.
